Enemy of mine, I'll fuck you like the devil.
Violent inside, beautiful and evil.
I'm a ghost. You're an angel.
We're one and the same, just remains of an age.
Lost in a day dream, what do you see?
If you're looking for Jesus, get on your knees!

Enemy of mine, I'm just a stranger in a strange land.
Running out of time, better go, go, go!
Angel or a demon, I gave up my soul,
I'm guilty of treason, I've abandoned control.

Tonight...

The end is coming,
Everybody run now,
We're gonna live forever,
Gonna live forever tonight,
Tonight, Tonight.

The end is coming
Everybody run now,
We're gonna live forever,

Gonna live forever tonight
Tonight, Tonight.

The end is coming,
Everybody run now,
We're gonna live forever,
Gonna live forever tonight,
Tonight, Tonight.

The end is coming,
Everybody run now,
We're gonna live forever,
Gonna live forever tonight,
Tonight, tonight.

The end is coming,
Everybody run now,
We're gonna live forever,

Gonna live forever tonight.

Lost in a daydream,
What do you see?
If you're looking for Jesus,
Then get on your knees!

Angel or demon?
I gave up my soul.
I'm guilty of treason,
I've abandoned control.

Your soul!
