[cover of Kanye West's song]

[Chorus:]

N- n- now th- that don't kill me
Can only make me stronger
I need you to hurry up now
'cause I can't wait much longer
I know I got to be right now
'cause I can't get much wronger
Man I've been waitin' all night now
That's how long I've been on you

I need you right now
I need you right now

Let's get lost tonight
You could be my black Kate Moss tonight
Play secretary, I'm a boss tonight
And you don't give a damn what they all say right?
Awesome, the Christian and Christian Dior
And they don't make 'em like this anymore
I ask 'cause I'm not sure
Anybody out there real anymore?
Bow in the presence of greatness
'cause right now thou has forsaken us
You should be honored by my lateness
That I would even show up to this fakeness
So go ahead go nuts go ape bitch
Especially in my pastel on my bapeness
Act like you can't tell who made this
New gospel homey, take six, and take this, haters

[Chorus]

I need you right now
I need you right now

I don't know if you got a man or not,
If you made plans or not
God put me in the plans or not
I'm trippin' this drink got me sayin' a lot
But I know that God put you in front of me

So how the hell could you front on me?
There's a thousand you's, there's only one of me
I'm trippin', I'm caught up in the moment right?
This is Louis Vuitton Don night
So we gonna do everything that Jared like
Heard they'd do anything for a Klondike
Well I'd do anything for a blonde-dike
And we'll do anything for the limelight
And we'll do anything when the time's right
Baby, you're makin' it (harder, better, faster, stronger)

[Chorus]

I need you right now [x4]

Don't act like I never told you [x8]
