You saved my life
With blood and through sacrifice
The lessons that I've learned
I promise you I said: Never again
Never again. No never

Hey, hey. It began with an ending
Hey, hey. We were fighting for the world
Hey, hey. My desire never ending
Hey, hey. The, The, The race, race

Love is a dangerous game to play
Hearts are made for breaking and for pain
I'm selfish and I'm cold
I promise you I said: Never again.
Never again. No never

Hey, hey. It began with an ending
Hey, hey. We were fighting for the world
Hey, hey. My desire never ending
Hey, hey. The, The, The race, race

I'm not running, no not running
I'm not running, no not running
I'm not running, no not running
I'm not running, no not running
No!

You saved my life
You saved my life

Hey, Hey, Hey,
The, The, The race, race
Hey, Hey, Hey,
The, The, The race, race

I'm not running, no not running
I'm not running, no not running
I'm not running, no not running
I'm not running, no not running
No!
