Please wake me up, I can't be this dumb
Surely you learn in life
I spend some days, made a study of my ways
Keep me informed all right

You shout: "Hold on, hold tight"
You can be free, shut up and follow me
I walked through these days, so sad about my ways
Hold on, hold on, hold on, hold on

What about this stuff we worked out
Can't put it all aside
It seems so strange, it's so easily replaced
Can't get it off my mind

You shout: "Hold on, hold tight"
You can be free, shut up and follow me
I walked through these days, so sad about my ways
Hold on, hold on, hold on, hold on

Please wake me up, I can't be this dumb
Surely you learn in life
Seems so strange, it's so easily replaced
Keep me informed all right

You shout: "Hold on, hold tight"
You can be free, shut up and follow me
I walked through these days, so sad about my ways
Hold on, hold on, hold on, hold on
Hold on, hold on, hold on, hold on
Hold on, hold on, hold on, hold on
