I have life

Ordinary life

I have car

A favourite bar

I have job

A moderate wage

I get the pains

That come with age

I am so ordinary

I have child

She goes wild

I have home

A mortgage of my own

I have hobby

But it's nothing very special

I do the garden

I watch girls

I am so ordinary

I have life

I have cage

I'm going bald

I want to tell the world
I've done nothing
I've achieved nothing
I work for a firm
But I want to burn it down
I am so ordinary
Frustration
I was born
One day I'll die
There was something in between
I don't know what
Or why
I'm a man
I want to break a rule
I am a nobody
Everybody's fool
