Sleazy city

Seedy films

Breathing so heavy

Next to my neighbour

Let's get acquainted

Getting to know you

Feeling sleazy

In sleepy sin city

Chorus:

Sleazy city

Sleepy people

Down your alleys

Seems that anything goes

Blue film flicker

Hands of a stranger

Getting to know you

Getting to know you

Hey that's fine

Got no time

Meet me on Friday

Down in blue city

Got no address

Just a telephone number

Phone me tonight

And maybe we can talk dirty

Chorus

Hey isn't that you on the screen

Isn't that you on the screen

(No that's not me
