The Art Of Falling Apart

Falling through at the seams

Living life in a dream

Even smiles make a lie

And I smile all the time

I'm skilled at the art

Of falling apart

It's the holding together

Together forever

Trying all of the vices

Is what's doing the damage

All the good things are bad things

And I'm paying the prices

I'm skilled at the art

Of falling apart

It's the holding together

Together forever

I'm covered in bruises

>From mixing with losers

It's the black and the blue

That's seeing me through

My cigarette diet

Means my throat hurts like hell

My friends say I'm dying

But I do it so well

I'm skilled at the art

Of falling apart

It's the holding together

Together forever
