Youth has gone

I heard you say

It doesn't matter

Anyway

Don't hide the photos

Or turn off the lights

I'm quite sure we've both seen

Funnier sights

Chorus:

Youth

Sleep in a deep deep deep

Beauty is skin deep

Youth has gone

Though we're still young

It's hard I know to believe

That I was somebody's son

The memories

Of what you once were

The memories of what

We both were

Chorus

Youth has gone  
Though don't think  
I don't cry  
We let ourselves slip  
And now  
I ask myself why  
I'm on my own  
And don't think I really mind  
When after all  
The years have been fairly kind  
Youth  
Sleep in a deep deep deep  
Beauty is skin deep  
Sleep in a deep deep deep  
Beauty is skin deep  
Youth...Youth...Sleep
