You know I'm proud to be black y'all  
and that's a fact y'all  
And if you try to take what's mine  
I take it back y'all - it's like that

Licki-licki-licki-licki-licki-licki-licki-licki-  
Listen party people here's a serious song  
It's right not wrong, I should say right on  
I gotta tell you somethin that you all should know  
It's not a mystery it's history and here's how it go  
Now Harriett Tubman, was born a slave  
She was a tiny black woman, when she was raised  
She was livin to be givin there's a lot that she gave  
There's not a slave, in this day and age  
I'm proud to be

[D.M.C.]

Black, god damn, I'm tired my man  
Don't worry bout what color I am  
Because I'll show you how ill, this man can act  
It could never be fiction cause it is all fact  
And if you get in my way, I will not turn back  
I'm proud of my name, my name is Darryl Mack  
I'm black and I'm proud, and I'll say it out loud  
I'll share my story with the whole crowd, AUUUGH!

[Run-D.M.C.]

You know I'm proud to be black y'all  
and that's a fact y'all  
And if you try to take what's mine  
I take it back y'all - it's like that

[Run]

DJ Run, and I run these things  
You can hear it loud and clear like when the schoolbell  
rings  
Like Martin Luther King, I will do my thing  
I'll say it in a rap cause I do not sing

[D.M.C.]

D.M.C., the man, that's causin the beef  
I got a message for the world so listen up it's brief  
Like Malcolm X said I won't turn the right cheek  
Got the strength to go the length, if you wanna start  
beef  
Start beef!

[Run-D.M.C.]

You know I'm proud to be black y'all  
and real brave y'all  
And motherfucker I could never be a slave y'all  
So take that!!

[Run]

We're gonna tell ya somethin put your mind in a swirl  
God bless the next baby that comes in this world  
The world's full of hate discrimination and sin  
People judgin other people by the color of skin  
I'll attack this matter, in my own way  
Man, I ain't no slave, I ain't reelin no hay  
Written a deposition, in any condition  
Don't get in my way cause I'm full of ambition  
I'm proud to be black (and I ain't takin no crap)  
I'm fresh out the pack (and I'm proud to be black)  
SO TAKE THAT!!

[Run-D.M.C.]

There was a man - an inventor - who invented so well  
He invented a fortune - for a man named Bell  
George Washington Carver, made the peanut great  
Showed any man with a mind, could create  
You read about Malcolm X - in the history text  
Jesse Owens broke records, Ali broke necks  
What's wrong with ya man? How can you be so dumb?  
LIKE DR. KING SAID, WE SHALL OVERCOME!
