Anger builds within my body
Why'd you hit me?
What have I done?
You're just a wannabe!
Try and hit me again if you like.
Throw your hate at me with all your might.
Hate me 'cuz I'm strange. Hate me.
Tell me I'm a pussy and you're harder than me.
What's with you boy?
Think hard.
A tattooed body to hide who you are.
Scared to be honest.
Be yourself.
A cowardly man!
I don't run around trying to be what's not within me.
Look in to my eyes.
I am free.
You're just a wannabe!
Chorus
To come out...
Hit me clown because I'm not from your town no.
Hit me clown, hit me clown because I'm not from your town no.

Hit me clown, hit me clown because I'm not from your town no.
Hit me clown, hit me clown because I'm not from your town no.
Hit me clown, hit me clown because I'm not from your town no.
Hit me clown!
Clown you ain't shit. Turn around get your face split.
Clown you ain't shit turn around get your face split.
Clown you ain't shit. TUrN around get your face split.
Clown you ain't shit. Turn around get your face split!
Chorus
I'm just a fucking mental!
I'm just a fucking mental!
I'm just a fucking mental!
I'm just a fucking mental!
I'm just a fucking mental!
I'm just a fucking mental!

I'm just a fucking mental!
