The flags are gaily flying o'er Celtic Park today

Because the lads of Celtic have shown the World the way

They played the game in Lisbon and here is how they won

They didn't play defensive, attack is what they done

The flags are out for Celtic, they know just what to do

And Scottish hearts and Irish hearts are mighty proud of you

In all the big World over the name of Celtic rung

And in our heart of Glasgow our Celtic song was sung

God bless you great eleven, this is your greatest day

Next season Jock from Greenock we're with you all the way

The flags are out for Celtic, they know just what to do

And Scottish hearts and Irish hearts are mighty proud of you

You won so many cups this year, 4 or 5 or 6

You should give one to Rangers, they're really in a fix

John Lawrence shook your hands lads as you came off the plane

And everyone is proud of you, your football brought you fame

The flags are out for Celtic, they know just what to do

And Scottish hearts and Irish hearts are mighty proud
of you
