Performed by Jamiroquai)

You know this boogie is for real.

I used to buy my faith in worship,

But then my chance to get to Heaven slipped.

I used to worry about the future

But then I throw my caution to the wind.

I had no reason to be care free

No no no, until I took a trip to the other side of town

Yeah yeah yeah, you know I heard that boogie rhythm

Hey- I had no choice but to get down down down down.

Dance, nothing left for me to do but dance,

Off these bad times I'm going through just dance

Got canned heat in my heals tonight baby

I feel the thunder see the lightning

I know this anger's heaven sent.

So I've got to hang out all my hang-ups

Because of the boogie I feel so hell bent

It's just an instant gut reaction, that I got

I know I never ever felt like this before,

I dont know what to do

But then thats nothing new,

Stuck between hell and high water

I need a cure to make it through.

Hey- dancing nothing left for me to do but dance

Off these bad times I'm going through just dance,

Hey got canned heat in my heals tonight baby

You know know know I'm gonna dance yeah

Off all the nasty things that people say.

Gonna dance, gonna dance my blues away tonight

Dance, come on got canned heat in my heals tonight

Canned heat in my heals tonight
