Performed by Ruff Endz)

I see the way he treats you,

I feel the tears you cried,

And it makes sad, and it makes mad,

There's nothing I can do baby.

Cause your lover is my best friend,

And I guess that's where they story ends.

So I've gotta try, to keep it inside.

You will never be, never be mine but,

If I was the one who was loving you, baby.

The only tears you'd cry would be tears of joy.

And if I was by your side,

You'll never know one lonely night

And if it was my arms you were running to,

I'd give you love in these arms of mine.

If I was the one in your life.

If I could have just one wish,

I'd wish that you were mine,

I would hold you near,

Kiss away those tears.

I'd be so good to you baby.

You're the one I want next to me,
But I guess that's just not meant to be.
He's there in your life,
And he's sharing your nights,
It'll never be, never be right.
If I was the one who was loving you, baby.
The only tears you'd cry would be tears of joy.
And if I was by your side,
You'll never know one lonely night
And if it was my arms you were running to,
I'd give you love in these arms of mine.
If I was the one in your life.
Yeah, baby.
I wanna reach out and view beside me,
Right here beside me, babe.
Take you in my arms right there,
Scream 'I love you' right out loud.
Some day I pray, that I'll find the strength,
To turn to you and say,
If I was the one who was loving you, baby.
The only tears you'd cry would be tears of joy.
And if I was by your side,
You'll never know one lonely night
And if it was my arms you were running to,
I'd give you love in these arms of mine.

If I was the one in your life.

If I was the one who was loving you, baby.

The only tears you'd cry would be tears of joy.

And if I was by your side,

You'll never know one lonely night

And if it was my arms you were running to,

I'd give you love in these arms of mine.

If I was the one in your life.

If I was the one, if I was the one,

In your life
