a little time and see how close we can get Got the
chronic, hydrobonic and a bottle of Moet What your

Sayin' every little thing to get you wet between the
thighs I'm a player Droppin' up game for the triple Out
to make a grip out of shiny dime and nickel [Chiko] Hey
lady [Rebel] Move a little closer, shorty Let's shake up
the party cause it's time to get naughty On the real This
is how I feel I give up a mil, just so I could steal A
