Don't Let Me Down  
Don't Let Me Down Again  
Don't Let Me Down  
Don't Let Me Down Again  
Don't Let Me Down  
Don't Let Me Down  
Swelled up eye's oh my the girl got beat  
And the stupid mother fucker who made you so  
That punk is a coward let that be told I hear voices in  
the night that are electric  
He kicks the shit out of her because he's heartless  
She won't leave she has low self esteem  
He's got gravitational pull  
Sucks her body till her heart and her limbs grow cold  
Hang in there use your head  
How can I love you after you're dead  
Hang in there keep trying  
How can I love you after dying  
Here's what you got to tell him I'm thinking of a picture  
that's keeping me in a stitch  
You're causing me a mental glitch  
'Cause jealousy is such a bitch I hereby emancipate  
myself from that  
You can consider yourself free to flirt and chat  
With whoever you want it should have always been that  
way  
The way that you want the way that you play  
My mind is blank slate I'm pretending you're erased  
You cannot let me down when I cannot see your face  
Hang in there use your head  
How can I love you after you're dead  
Hang in there keep trying  
How can I love you after dying  
Ode to a beat up girl, I know you're out there  
Stronger than you think, stand up if you care  
Get up off the ground, don't let me down  
Get up off the ground, don't let me down  
Hang in there use your head  
How can I love you after you're dead  
Hang in there keep trying  
How can I love you after dying

And you, I'm a let you pass without kicking you're ass  
Because I'm above it youhurt someone I love  
It takes two to make a thing go right and that's trite  
But one just to sneak and weasel through the night  
If you hurt her again I'll fuckyou up  
If you hurt her again I'll fuck you up, fuck you up  
If you hurt her again I'll fuck you up  
If you hurt her again I'll fuck you up, fuck you up
