Purified sounds brush 'em on like paint  
Teenage dream to work with Ron Saint  
Home he ain't, we layin' tracks in Cali  
The dude is excitable like a pep rally  
Since the days of The Eds  
In the west side  
Keepin' it real  
We got nothin' to hide  
Now we are a number  
There is none greater  
Take me out sound king  
Yo peace see ya later

Let's step out tonight, all night  
The groove is soothin'  
Let's go back tonight, alright  
It's a fellow feelin'  
With my friends  
Once again

Grape Vess soda pop licorice stick  
Aunt Mary's summertime backyard picnic  
"Did you drink my beer Doug?"  
Yeah I did it  
Don't tell me to bring you a beer if you think  
I won't sip it  
Swingin' on swingin' on jungle gym sets  
Daddy talkin' bout the horses he bet  
When I got home my friends phoned  
Hey, 'homes

Let's step out tonight, all night  
The groove is soothin'  
Let's step out tonight, alright  
It's a fellow feelin'  
With my friends, once again

Eat smoked fish  
That is my favorite dish  
Eat smoked fish  
That is my favorite dish

Eat smoked fish  
That is my favorite dish  
Eat smoked fish  
That is my favorite dish  
Let's step out tonight, all night  
The groove is soothin'  
Let's step out tonight, alright  
It's a fellow feelin'  
With my friends, once again

Eat smoked fish  
That is my favorite dish  
Eat smoked fish  
That is my favorite dish  
Eat smoked fish  
That is my favorite dish  
Eat smoked fish  
That is my favorite dish
