[Chorus: Violent J]

We got wicked ways, for your sunny days  
We got murder for your birthday parties  
Yeah, we see diamonds fall, got our dicks chopped off  
How we still can't wait to be dead bodies, yeah

[Verse 1: Esham]

So many snakes spittin venom speakin my name in vein  
Knowin my claim to fame is this game I slang  
Through the storm and rain, shocked I wonder in pain  
Tell me, am I to blame if I blow out your brains?  
Gimme one good reason I should not be squeezin on  
every bitch-ass nigga like you  
Cause this bitch-ass nigga like you ceasin  
I'm a real sick fella, big fella  
You got alotta lip for a nigga who ain't shit, fella  
Always been about my hustle, been about my money  
It ain't all about rhymin, I ain't never act funny  
But these bitch-ass niggaz in this game unreal  
Quick to flip the fuckin script for the mass appeal  
But once they blood gets spiled, let's see how many  
feel  
That they gotta die for another shady record deal  
Who am I? The pretty boy, the city boy  
The sniffin coke up off ya tittie boy, the gritty boy  
Been never actin hostility boy, the hold it down wit me  
boy  
I seek and destroy I get paid to employ ya  
So I must employ mcs enjoy my style but yet they still  
annoy me

[Chorus: Violent J - repeat 2X]

La la la la la la  
La la la la la la la  
La la la la la la la la

[Verse 2: Esham]

Fuck what you do, You so fake  
Everything you do, everything you make  
Still suicidal, how much can I take?  
Pressure could bust a pipe, but I will not break

Get the type of shit where you can't relate  
The world on my shoulder, hold down the weight  
Money hungry niggaz out here'll snatch ya plate  
The greedy never care about if you ain't ate  
Try gettin out the game before it's too late  
Or before the rage come and seal ya fate  
Still knock knock knockin on heaven's gate  
And you can't get in for sellin cakes  
For for sellin cakes, or or sniffin flakes  
For for sellin cakes, or or sniffin flakes  
For for sellin cakes, or or sniffin flakes  
For for for for for for sellin cakes

[Chorus] - repeat until fade
