I would have three years ago-today
But not now it's not like that

It's all right to feel good
It's all for nothing to be wrong
The deepest dream that we have

Long time did I run down like that
I would have three years ago-today
But not now it's not like that

It's all right to feel good
It's all for nothing to be wrong
The deepest dream that we have
Could be tomorrow's song

And you don't stop, proceed
What you need guaranteed
The deepest dream we have could be
