Purified sounds brush 'em on like paint
Teenage dream to work with Ron Saint
Home he ain't, we layin' tracks in Cali
The dude is excitable like a pep rally
Since the days of The Eds
In the west side
Keepin' it real
We got nothin' to hide
Now we are a number
There is none greater
Take me out sound king
Yo peace see ya later

Let's step out tonight, all night
The groove is soothin'
Let's go back tonight, alright
It's a fellow feelin'
With my friends
Once again

Grape Vess soda pop licorice stick
Aunt Mary's summertime backyard picnic
"Did you drink my beer Doug?"
Yeah I did it
Don't tell me to bring you a beer if you think
I won't sip it
Swingin' on swingin' on jungle gym sets
Daddy talkin' bout the horses he bet
When I got home my friends phoned
Hey, 'homes

Let's step out tonight, all night
The groove is soothin'
Let's step out tonight, alright
It's a fellow feelin'
With my friends, once again

Eat smoked fish
That is my favorite dish
Eat smoked fish
That is my favorite dish
Eat smoked fish

That is my favorite dish
Eat smoked fish
That is my favorite dish
Let's step out tonight, all night
The groove is soothin'
Let's step out tonight, alright
It's a fellow feelin'
With my friends, once again

Eat smoked fish
That is my favorite dish
Eat smoked fish
That is my favorite dish
Eat smoked fish
That is my favorite dish
Eat smoked fish
That is my favorite dish
