I'll be here a while, ain't going nowhere  
I'll be here a while, ain't going nowhere  
I'll be here a while, ain't going nowhere  
I'll be here a while

Far is solace in the maddening pace  
Sad state written on my face

Not a tight rope walk but dance  
Uncertain game of chance  
But I'll see it through in time

I'll be here a while, ain't going nowhere  
I'll be here a while, ain't going nowhere  
I'll be here a while, ain't going nowhere  
I'll be here a while

And if a person, place or thing can deliver  
I would quiver with delight  
Tempted by the hand that could  
Blind my vision and sight

But at twenty years of age  
In frolic and in rage  
I will see it through in time

I'll be here a while, ain't going nowhere  
I'll be here a while, ain't going nowhere  
I'll be here a while, ain't going nowhere  
I'll be here a while

But the dawn has come into the endless night  
And everything's gonna be all right

But at thirty years of age  
Through frolic and in rage  
All regressed and healed in time

"I'll be here a while ain't going nowhere"  
Said I, said I, said I  
"I will survive"
