Hey you got to step outside to see what's going on
Hey you can't run and hide when the 'psybin trip is on
Not like this have you seen such green
A spot like this becomes serene glad your here I have
no fear, oh

We trip the 'shrooms fantastic
Shit gets drastic elbow pull and kick
We trip the 'shrooms fantastic
Shit gets drastic, check it out

Right now my brain is fragile
But you seem so agile we'll make it in tea
And we'll see what there is to see

We trip the 'shrooms fantastic
Shit gets drastic elbow pull and kick
We trip the 'shrooms fantastic
Shit gets drastic, check it out

Make an instrumental add a little vocal
Take to the stage and make the people go Loco
Make an instrumental add a little vocal
Take to the stage and make the people go Loco

Boom boom you got the spinning of the room
Quite right you got the breaking of the light
Boom boom you got the spinning of the room
Quite right you got the breaking of the light
And the sun and the moon and the spinning of the
room
It does to my sight what the prism does to light

You're quicker than me ridiculous see
You come follow me get lobotomy
You're quicker than me ridiculous see
You come follow me get lobotomy

We trip the 'shrooms fantastic
Shit gets drastic elbow pull and kick
We trip the 'shrooms fantastic
Shit gets drastic, check it out

Make an instrumental add a little vocal
Take to the stage and make the people go Loco
Make an instrumental add a little vocal
Take to the stage and make the people go Loco

Make an instrumental add a little vocal
Take to the stage and make the people go Loco
Make an instrumental add a little vocal
Take to the stage and make the people go Loco
