Here in the world feel it flowing  
River of life on a human journey  
Don't be afraid of becoming the sea  
Don't worry yourself [3x]  
Many stories will  
Be left untold  
But understand everything must go

Slow slow lover  
Rub you down  
We don't want no one  
Hurting don't make a sound  
Oh livin' is a journey  
Waking believing running  
For shelter now  
Slow slow lover  
Rub you down  
We don't want no one  
Hurting don't make a sound  
Oh livin' is a journey  
Waking believing running

What's that you do  
You're running around  
There's people that need you  
And you're letting down  
And when it's time to care  
You always leave town  
Don't hurry yourself [3x]  
There's some wildness  
There and mercy  
It's the emptiness we  
Love touching  
Slow slow lover  
Rub you down  
We don't want no one  
Hurting don't make a sound  
Oh livin' is a journey  
Waking believing running  
For shelter now  
Slow slow lover  
Rub you down

We don't want no one  
Hurting don't make a sound  
Oh livin' is a journey  
Waking believing running

Give thanks and praise  
For good things you found  
Humble people  
Not ashamed nor proud  
And always try to keep  
Your feet on the ground  
And love yourself

Slow slow lover  
Rub you down  
We don't want no one  
Hurting don't make a sound  
Oh livin' is a journey  
Waking believing running  
For shelter now  
Slow slow lover  
Rub you down  
We don't want no one  
Hurting don't make a sound  
Oh livin' is a journey  
Waking believing running
