It seems uncertain
I wish it was forgone
To know the version
That made life go wrong

Wish I had a clue
What rearranged our molecules
Mostly wondering

It seems uncertain, oh
It seems uncertain, yeah
It seems uncertain, oh, uncertain

In times of trouble
Everyone joins a team
No one waves a flag
For all human beings

No one's excited
Unless they are divided
Someone's going to have to give in

It seems uncertain, oh
It seems uncertain, yeah
It seems uncertain, oh, uncertain

I'd like to be
One of the faithful millions
But what I see
Is an excuse for the killing

Your denomination
Should be a private thing
How about a spirit
For all human beings

How could something well guided
Turn out to be divisive
Mostly wondering

It seems uncertain, yeah
It seems uncertain, yeah

It seems uncertain, oh, uncertain
