You been wanderin aorund in my head again  
You been living there since, I don't know when  
I'm wondering when you took resident  
I figured it out, I figured it out

You been wanderin aorund in my head again  
You been living there since, I don't know when  
I'm wondering when you took resident  
I figured it out, I figured it out

{Hexum}

You been wanderin aorund in my head again  
You been living there since, I don't know when  
I'm wondering when you took resident  
I figured it out, I figured it out  
(x2)
