You're askin' me do I think have I got just what it takes  
Does my ego have direction, is my mouth just shooting  
blanks

You list for me your standards, and I can't believe you  
dared

So I'll tell you once and set you straight, I'm the man,  
yes I am, Yes I Am

I've got Fred Astaire in my shoes, dance until the dawn  
Hemingway and Shakespeare rollin' off my tongue  
I've got the Trump card in my pocket, Armani suit and  
tie

My soul is lined with silver and gold, you can see it in  
my eyes

Yes I am, Yes I am

I've got the strength to be your Superman

I'm wise beyond my years

Yes I am, Yes I am

I'll love you like Adonis

I'll spread your smile from ear to ear

Yes I am

I'll mount the Himalaya's, I'll surf across the sea  
Shimmer with the angels, I got the the stars spotlightin'  
on me

I'll bring the power to the table to make the deal run  
smooth

Baby, Ive got the answers, I've got the key to unlock the  
truth

Yes I am, Yes I am

I've got the strength to be your Superman

I'm wise beyond my years

Yes I am, Yes I am

I'll love you like Adonis

I'll spread your smile from ear to ear

Yes I am

Where ever you go, and whatever you see  
I can bring it to you all naturally

You ask me do I think I'm all that  
Loud as hell I'll answer you back...

Yes I am, Yes I am  
I've got the strength to be your Superman  
I'm wise beyond my years  
Yes I am, Yes I am  
I can love you like Adonis  
I'll spread your smile from ear to ear  
Yes I am  
Yes I Am  
Oh, baby I've got the answers I've got your key...

Yes I Am
