[Chorus - Eminem]

Welcome to D Block, the city of broke down dreams

With things ain't always peachy keen as they seem

City of dope dealers, killers, pimps, pushers

Pin handlers Hustlers and doped out fiends

The sun don't shine here, in this part of town

But we all got a town that's similar to this too

Cuz every cities got a ghetto and every ghetto got a
hood

Take a good look around you cuz there's a D Block near
you

[Jadakiss]

Place where ain't no body that proud, its a fuckin black
cloud

That got people under the impression they can act wild
Workin around though, see if you can pull a trigger on
the pound yo

Wild men is flappin the whole town though
Lot is assumin a niggaz salary
More lies than truth definatly more rumors than reality
Only way you beatin a body is a technicality
Other than that catch em and clinton on a gallery
The determination and dedication of disipline
Listenin and catchin the jewels you was missin
And they still doin coward shit
You know the haters gonna always be heavy but the
love overpowers it
Somethin in the air but the older they get
They kill you quicker over a girl than over a brick
We don't play with the lizards, we make phrases up and
say I'm exquisite
Anytime you can pay us a visit

[Chorus - Eminem]

Welcome to D Block, the city of broke down dreams
With things ain't always peachy keen as they seem
City of dope dealers, killers, pimps, pushers
Pin handlers Hustlers and doped out fiends
The sun don't shine here, in this part of town
But we all got a town that's similar to this too
Cuz every cities got a ghetto and every ghetto got a
hood
Take a good look around you cuz there's a D Block near
you

[Eminem]

Welcome to D Block, the might mighty D Block
A place in New York City where Diddy won't even walk
Its D Block, the part of yonder where I wouldnt be
caught
Without two pistols on me that'll be cocked in each
pocket
D Block don't even stop to talk, you just keep walkin
Stick up kids every block who walks with that free op-
-Portunity, as soon as you leave out that jewelry shop
And you won't even notice your mind will be so preo-
-Ccupied on that new watch you just copped
You won't even see that ride pull up along side you
You'll be shot fore you even realize you were spied
over three blocks
D Block the place where gees get knocked, locked up
Get out come home for a week and get re-knocked
You don't even see cops, hiphop police don't even stop
On D Block, where everybody wants to be Pac
And you can get popped over the new G Unit reboks

[Chorus - Eminem]

Welcome to D Block, the city of broke down dreams

With things ain't always peachy keen as they seem
City of dope dealers, killers, pimps, pushers
Pin handlers Hustlers and doped out fiends
The sun don't shine here, in this part of town
But we all got a town that's similar to this too
Cuz every cities got a ghetto and every ghetto got a
hood
Take a good look around you cuz there's a D Block near

Welcome to D Block, a place where lil niggaz is killaz
And the mother's raisin a son That turns into Gorillaz
And the hallways is pissy as hell, all we do is get bigger
More ignorant, you send us to jail, my niggaz shoot
anything that'll move
Sell drugs, from the rise to the sun to the fall of the

I'd die the way I stand With my man if I can when the
shells come
This is D Block ya'll welcome
