Believe in the Blisters once again

Deliverance now my only friend

I've crawled through the flesh and back again for us, to
be (You Know)

Near consequence without nothing much

No prayers, its all been just good luck

Couldn't make it but thanks for showing up again, to be

Cut deep inside of my own skin

Im saving all my sheep for sin

I don't want one percent of nothing cause I'm never
coming back again

Believe in Blisters

Stick it in me

Said your motion, it feels like a knife
