this is the way it's got to be...

crawl beneath this filthy ground

and underneath this dirty ground i

crawl beneath this filthy ground

and underneath these dirty leaves

seems to me to be the insanity it

seems to me i've become the oddity

it seems to me i need some identity

seems to me i've become the oddity

keep this high now keep this high

said i better

keep this high now keep this high

said i better

keep this high now keep this high

said i better

keep this high now keep this high

this is the way it's got to be...

no fear, so depraved, break
