That guilt you've denied will only defeat you

So stay clean for me cause that's what you should do

That gaze in your eyes remember when you died

Etch that memory for the next sunrise

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

I've come clean a change of scenery

I've come clean Shair Vegas

I've come clean a change of scenery

I've come clean Shair Vegas

Lackluster love affair has left you so jaded

Those rings around your eyes they make you look  
faded

Come say to me that you'll live one more day

For that my friend for that I will pray

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

I've come clean a change of scenery

I've come clean Shari Vegas

I've come clean a change of scenery

I've come clean Shari Vegas

What's worth keeping you'll receive

Exit only let them see

What's worth keeping you'll receive

Exit only let them see

What's worth keeping you'll receive

Exit only let them see

What's worth keeping you'll receive

Exit only always let them let them see

What's worth keeping you'll receive

Exit only always let them let them see

What's worth keeping you'll receive

Exit always let them

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

So pleased to meet you Shari

I've come clean a change of scenery

I've come clean Shari Vegas

I've come clean a change of scenery

I've come clean Shari Vegas
