I still cry for Baby Jesus

I still pray when I'm alone

And when I'm lost he'll come to find me

Because he died to save my soul

When I can't walk he's there to carry

When I speak he hears my words

When I wake and I have nothing

He sends me Gold, Francence and Mer

I still cry for Baby Jesus

I still pray when I'm alone

And when I'm lost he'll come to find me

Because he died to save my soul

When I cry my tears of sorrow

When my heart will only ache

And if I'm troubled when I'm sleeping

He will hold me until I wake

I still cry for Baby Jesus

I still pray when I'm alone

And when I'm lost he'll come to find me

Because he died to save my soul

Because he died to save my soul

Because he died to save my soul
