I'ma gonna take you down to the railway line

I'ma gonna take you down to the railway line

I'ma gonna take you where your heart won't brake you

And the water tastes like wine

I'ma gonna take you down to the railway line

We won't take money, we won't take the long way  
round

We won't take money, we won't take the long way  
round

We won't take money, we'll live off the honey

When the train goes underground

We won't take money, we won't take the long way  
round

I'll drive faster, you hold tighter

I'll get wild, you get wilder

I'll make thunder, you make rain

We'll go down to the runaway train

We'll clear that track, we're coming on down the line

Yeah clear that track, we're coming on down the line

Yeah clear that track, they won't take us back

Well they can stick it where the sun don't shine

Clear that track, we're coming on down the line

I'll drive faster, you hold tighter

I'll get wild, you get wilder

I'll make thunder, you make rain

We'll go down to the runaway train

Ohhhhhhhhhh

I'll drive faster, you hold tighter

I'll get wild, you get wilder

I'll make thunder, you make rain

We'll go down to the runaway train

Runaway train
