"I Could Not Come To You"

Leaving Heavens Throne Room, Lying now in Straw
Like The Shepherds and the Angels, I stand in Holy Awe
what Kind of Love is this Love, that You would come so
far and Set Down in this World to win my hopeless
heart.

Â

Chorus:

And I Â- I could not come to you

ThereÂ's nothing I could do to save my life

Â'Till you reached out on that Holy Night

When Love - Love Made the First Move

ItÂ's so hard to believe that you would come to me

When I could not come to you

(This Changes Everything)

Â

You Left Shouts of Worship and Glory Shining Bright

For the Silence and the Shadows of a Manger Meek And

Mild You Came to Bridge the Distance, to Set the

Captives Free Like the Prophets had Promised, You

Came to Rescue Me
