You say you don't have much  
That's ok cause it don't take much at all  
You can start right where you are  
It don't matter how small  
Oh and you're scared your voice  
Won't ever be heard above the crowd  
Well my friend here's your chance  
To live out loud cause

### CHORUS

A little bit of love goes a long, long way  
A little bit of hope can change the day  
You could be the miracle that someone's waiting for  
All it takes is just one flame  
And you can light up the darkest place  
Well you'd be amazed  
A little bit of love goes a long, long way

With your two hands  
You can turn this whole wide world around

And with just one dream  
You can flip it upside down  
Cause the smallest faith  
From a heart that believes  
Can overcome the impossible  
You can make history

### CHORUS

Don't waste another minute  
Don't let another chance go by  
Cause today might be your day  
To change somebody's life

### CHORUS

A little bit of love goes a long, long way  
A little bit of hope can change the day  
Are you the miracle someone is waiting for  
All it takes is just one flame  
And you can light up the darkest place  
Well you'd be amazed  
A little bit of love goes a long, long way
