I betrayed, You forgave
I ran away, still You stayed
And I lived a lie, You spoke the truth
Now Iâ€™m undone, with no excuse
I cursed Your name, You called me child
I was to blame, You went to trial
And I lived to take, You died to give me more than I
could ever find
And on my own, I made a mess of things

CHORUS

But You take it as my offering
You take the best and worst of me
And peace is at Your throne
Where the broken are made whole
And I canâ€™t imagine anything
More beautiful or more amazing

When I bring everything
And You take it as my offering

Iâ€™m full of doubt, Youâ€™re full of mercy
I come unwound, but You restore me
When Iâ€™m shaking like a leaf, Youâ€™re the comfort that
I need
That melts my fears away
And on my own, I made a mess of things

CHORUS

And You take it as my offering
My life is made an offering
Iâ€™m Yours and Yours alone
You take is as my offering
My life is made an offering
Iâ€™m Yours and Yours alone

CHORUS
