What if in the morning when I wake up  
Even before I fill my coffee cup  
I said Thank You  
Thank You  
What if I looked at the day and the hours ahead  
And before I moved forward I bowed my head  
And said Thank You  
Oh I said thank You  
What if I looked at my life in a different way  
Took a little more time to stop and pray  
I know it would change all the moments in between  
So here I go

(Chorus)  
Thank You for everything  
Thank You for loving me  
It don't even matter what tomorrow brings  
I will sing my Thank You  
For sun and rain  
For what You give and take away  
For all Your goodness  
I will always say  
Thank You  
I say Thank You

What if I lost everything that I had  
I could smile and somehow still be glad  
And say Thank You  
Thank You  
Cause life is joy, life is pain  
But the prayer of my heart will never change  
I say Thank You  
Oh I say Thank You  
What if I looked at my life in a different way  
Took a little more time to stop and pray  
I know it would change all the moments in between  
So here I go

Chorus x2
