I have always dreamed
To be that superhero
To fly right in
And somehow save the day
And I have always wanted
To be more than I could be
But seem to fall
And somehow lose my way
But the day your love stepped in
Was the day my life began

Â‘Cause you make me shine
You make me soar
You make me everything I never was and so much
more
You give me strength
You let me stand
I donÂ’t have to move a mountain
But I know I can
Â‘Cause you make me
The best man

Even through my weakness
You know who I am
And you give me amazing grace
That I donÂ’t understand
There are no words
That could ever describe
The glory of, the beauty of you in my life
Because you gave your love to me

IÂ’m the best that I can be

Â‘Cause you make me shine
You make me soar
You make me everything I never was and so much
more
You give me strength
You let me stand
And I donÂ’t have to move a mountain
But I know I can
Â‘Cause you make me

The best man

I will never be the same
'Cause you have changed everything
From the man I was to the man that's standing by
your side

'Cause you make me shine
You make me soar
You make me everything I never was and so much
more
You give me strength
You let me stand
And I don't have to move a mountain
But I know I can
'Cause you make me
Oh... 'cause you make me
The best man
Oh... the best man
Yeah yeah
