"The Same Ending"

Here's where I don't care
Without warning, completely boring
Last night when I died
Sick all over of mediocre
You keep talking like I'm listening
We're all yawning, something's missing
Three shades bluer I stop breathing
Falling over no one sees me

For all my friends
Who just pretend

Don't kill me, no
Don't leave me the same ending
Don't kill me, no
Don't leave me the same ending

Autumn's forgotten
I begged the winter to reconsider
Monday through Sunday
Without warning it's fucking boring
Moving faster working harder
Maybe closer's getting farther
We're all yawning, something's missing
You keep talking like I'm listening

For all my friends
Who just pretend

Don't kill me, no
Don't leave me the same ending
Don't kill me, no
Don't leave me the same ending

Lets start again
Strike that
I'll start again
And I won't say I'm sorry
For all my friends
Strike that
Not quite my friends

I don't know why I'm sorry

This could be the last time that you ever see me
Ever see me

Don't kill me, no
Don't leave me the same ending
Don't kill me, no
Don't leave me the same ending

Don't leave me
Don't leave me
Don't leave me
Don't leave me
