I've got holes

Holes in my shoes

Holes in my jeans

Holes in my heart that can't be sewn up

And I'm getting cold from all this unwanted ventilation
to my soul

And I stink

I smell like the dirt

I smell like the filth

I smell like myself and it won't come off

I've got to get out of this disgusting sinful clothing

So I'm gonna...

Take everything off

Throw it away

I don't want nothin' to mess me up

Make everything new

Do what You do

I want Your love

And I'm worn

I'm worn in the heels

I'm worn in the knees

I'm worn in the brain

I need a release

God is there anything that You can do for me?

Take everything off

Throw it away

I don't want nothin' to mess me up

Make everything new

Do what You do

I want Your lovin' to dress me up

I'm so fly, lookin' so fine

Dressed up in my new fancy clothes

All eyes are on me

Do you like what my Lord has done?

I recommend Him highly

Come on everybody and...

Take everything off

Throw it away

I don't want nothin' to mess me up

Make everything new

Do what You do

I gotta have Your love

Take everything off

Trow it away

I don't want nothin' to mess me up

Make everything new

Do what You do

I want Your lovin' to dress me up

Take
