What time is it my heart?

What time is it my heart?

What time is it my heart?

What time is it my heart?

What time is it in England?

What time is it in Gibraltar?

What time is it over there in Fistera?

What time is it hey Bye bye Bom?

What time is an entire life?

What time is it in Japan?

What time is it in Mozambique?

What time is it in Washington?

They fooled us Bye bye Bom!

They fooled us with Spring!

They fooled us Bye bye Bom!

BOMBALA BOMBALA BOMBALA...

BOMBALA BOMBALA BOMBALA...

BOMBALA BOMBALA BOMBALA...

What time is it my heart
