I like airplanes, I like you

I like to fly, I like you.

I like the morning,

I like the wind, I like you.

I like dreaming, I like you.

I like the sea, I like you.

What am I going to do

I don't know

What am I going to do

I don't know anymore

What am I going to do

I am lost

What times these are, my heart.

I like motorcycles, I like you

I like to run, I like you

I like the rain, I like you.

I like coming back, I like you.

I like marijuana, I like you.

I like Colombian, I like you.

I like the mountains, I like you.

I like the night, I like you.

What am I going to do

I don't know

What am I going to do

I don't know anymore

What am I going to do

I am lost

What times these are, my heart.

I like supper, I like you.

I like the neighbor, I like you.

I like your cooking, I like you.

I like to flirt, I like you.

I like guitar, I like you.

I like reggae, I like you.

What am I going to do

I don't know

What am I going to do

I don't know anymore

What am I going to do

I am lost

What times these are, my heart.

I like cinnamon, I like you.

I like fire, I like you.

I like to swing, I like you.

I like la Coruñesa, I like you.

I like Malasaña, I like you.

I like la Castañera, I like you.

I like Guatemala, I like you.

What am I going to do

I don't know

What am I going to do

I don't know anymore

What am I going to do

I am lost

What times these are, my heart
