Going crazy

Can't keep things in my head

Spinning around in front of me

A figure of speech coming back to haunt me now

Feelings how they flinch even after so long

Don't know why you talk to me

I'm not as wise as I wish I'd be

Saw me once in a dress

Sleeping pills, all the rest

Now you speak with some distress

And I'd like to say you speak young and bolder

And I will try my best to fail

You may not be wise and I may not be older

All the things you said

I thought you said

We're nothing more to bother now

It's all too late

Let's agree to disagree

Closer to the feelings all my men would show you

don't know why you talk to me

I'm not as wise as I wish I'd be

Saw me once in a dress

Sleeping pills, all the rest

Now you speak with some distress

And I can't believe you asked that

Oh I can't believe you asked that

Oh I can't believe you denied that
