(I think I wanna, I think I wanna)

I think I wanna tell you somethin  
(Well go on, tell me somethin)

[ VERSE 1: Charizma ]

You! The one with the big - yeah  
And you, oh, you look so good  
And you, you shoplift every day  
And you and you and you, come here, yeah!  
High school girls, you need to learn some things  
College girls, you need to use your brains  
Cause I'm a creator and a dominator  
You're not down for hittin skins later, you perpetrator  
I come tight with the beat and all that  
So throw your hands in the air, show me what you got  
there  
Cause girls just wanna have fun  
But deep inside my heart I know girls just wanna have  
funds  
You, yeah, you make me go off  
I'm three feet high and risin now - so take it off!  
And I'm like yo  
Drop the peenie in a peehole and I hear a echo  
Out is what I be cause I'm too fly for that  
Besides, I like hip-hop, you like R&B crap

[ VERSE 2: Charizma ]

You, you need to watch your back  
And you, look spectacular  
And you, you cut school every day  
And you and you and you, come here, yeah!  
Chill with a brother, why dontcha  
I'm suave and debonair, the fliest kid of the year  
I don't like to drive, tell the girls to pick me up  
So just honk, I meet you outside, my room's messed up  
This is the gameplan, let's get some food first  
A girl with the empty stomach is the, is the, is the, is the  
You played some songs, you played Keith songs  
You played Teddy songs, you played Luther songs  
You played Johnny songs, you played Marvin songs

You're real romantic - so is it on?  
Throw those big things girl, cause I'm catchin em  
Gimme some new gear and girls I'm wreckin em  
Yeah, I'm tellin you girl, you look dip  
So cut all the conflict and let's get down with this  
I'll treat you swell, you treat me well  
We might have a story to tell, oh what the hell
