Charlatans, The - Over Rising
=====

Hey, some missionary

Boil at one hundred degrees

No one before has ever known what youre after

But who wants to know

Standing here, Ive always known that you

To get your hands onto my place

Forsaken, I know, shes got a bad time coming

But who wants to know

Ease yourself down on me

Over rising, washing me down again

Over rising, washing me down and now youre dragging
me out

Holding me down and now youll obviously strip me

Of all the possessions I own

Nobody cares as long as you can remember

That hes the only God who drops you down

Ease yourself down on me

Over rising, washing me down again

Over rising, washing me down and now youre dragging
me out

Over rising, washing me down again

Over rising, washing me down and now youre dragging
me out

Over rising, washing me down again

Over rising, washing me down and now youre dragging
me out
