This can't be there late night
Kinda salad kinda valid as we stroll
These niggas got ammo
But I found out just the way it goes
The triple 6 mafia be like quick the tricks
While smokin' on mega blunts
Are we takin' care business (triple 6 mafia)
The koopsta the nigga
The kids that fill her is on the scene
That this neighbors daughter
Gangsta boo we lookin' so so mean
Call up crunchy blac
Hit the gas
Let them bustas know
That fuckin' with triple 6
You young bitches you gotta go (triple 6 mafia)
The cali the hundred
The tricks that wanted
I bucked down
The kill em' and dj paul
The g with the evil frown
These niggas be talkin' shit
Bout who and who they don't like
These pimp hatin' bitches gonna make a plan
Just take their life (triple 6 mafia)
Scarecrow is the nigga
The mystic nigga that so damn slick
A natural born killa
With no remorse on a funky bitch
The juice might be quicker
But with them thangs he be droppin' ya
You bustas can't stand a chance (triple 6...) triple 6
mafia
