[Techno Voice:]

Greatness plus greatness,
Equals, great greatness

[Verse 1: Charlie]

Girl, I believe you can fly,
'cause you got those angel wings,
You know just what I mean,
And plus the voice you sing,
Can save a life,
My baby's on the scene,
Some concern to me,
She's my everything, I can't deny,
I love her more everyday,
And I got problems,
She makes 'em go away,
And if her love ain't enough,
My girl can rescue me,
Swoop right down, and pick me up

[Chorus: Charlie (T-Pain)]

She's supa sexy, yeah,
You look good to me,
You know, (model),
Coke, (bottle), yeah,
Come and rescue me,
Supa sexy, yooooooooo,
You look good to me,
You know, (model),
Coke, (bottle), yeah,
Come and rescue me,
Supa sexy, supa woman,
You make me say, (ooh, ooh, ooh)
Come and rescue me,
Supa sexy, supa woman,
You make me say, (ooh, ooh, ooh)
Come and rescue me, supa sexy

[Spoken: T-Pain]

Aww... wait a minute Uncle Charlie,
I can't let you out game me,

Here come another girl,
I'm a tell ya what she wanna hear...

[Verse 2: T-Pain]

'Scuse me baby, come here shawty,
Give me a second, let me borrow your ear,
'cause you look good to me, now,
You remind me of my Lamborgini,
If you act right,
I'm a let you burn rubber on me,
Shawty, let me take your cape
And, put it on the floor,
You can, kick up your feet,
You ain't gotta rescue me, no more,
And can I get you somethin', let me buy you a drank,
As you can see, she on the next base, honkin',
I'm a take her home with me

[Chorus: T-Pain]

She's supa sexy, yeah,
You look good to me,
You know, model,
Coke, bottle, oh,
Come and rescue me,
Supa sexy, yeah,
You look good to me,
You know, model,
Coke, bottle, oh,
Come and rescue me,
Supa sexy, supa woman,
You make me say, ooh, ooh, ooh,
Come and rescue me,
Supa sexy, supa woman,
And you make me say, ooh, ooh, ooh...

[Verse 3: Charlie (T-Pain)]

Girl, I believe in you and I,
It takes no one to tell me why,
'cause you not theirs,
And their not mine,
And I can't keep you off of mine,
But listen baby,
You don't need to be in magazines,
('cause you look good to me)
And listen baby,
Your the one that needs the rescuing,
('cause you look good to me)

[Chorus: Charlie (T-Pain)]

She's supa sexy, yeah,
You look good to me,

You know, (model),
Coke, (bottle), yeah,
Come and rescue me,
Supa sexy, oooooohhh,
You look good to me,
You know, (model),
Coke, (bottle), yeah, (oh, rescue me)
Come and rescue me,
Supa sexy, supa woman, (and you can make me say)
You make me say, (ooh, ooh, ooh)
Come and rescue me,
Supa sexy, supa woman,
You make me say, (ooh, ooh, ooh)
Come and rescue me, supa sexy

... Girl, I believe you can fly,
'cause you got those angel wings,
You know just what I mean,
And plus the voice you sing,
Can save a life...
