U can't touch this

U can't touch this

My-my-my-my (U can't touch this) music hits me so hard

Makes me say,"oh my lord thank you for blessing me

With a mind to rhyme and two hyped feet"

It feels good

When you know you're sown

A superdope homeboy from the Oaktown

And I'm known as such

And this is a beat-uh!

U can't touch this

I told you homeboy

U can't touch this

Yeah, that's how we livin' and you know

U can't touch this

Look in my eyes,man

U can't touch this

Yo, let me bust the funky lyrics

U can't touch this

Fresh new kicks and pants

You got it like that now you know you wanna dance

So move out of your seat

And get a fly girl and catch this beat

While it's rolling

Hold on

Pump a little bit and let 'em know it's going on

Like that

Like that

Cold on a mission so fall on back

Let 'em know that you're too much

And this is a beat

They can't touch

Yo! I told you

U can't touch this

Why you standing there, man?

U can't touch this

Yo, sound the bells, school is in, sucker

U can't touch this

Give me a song or rhythm

Making 'em sweat

That's what I'm giving 'em

Now they know

You talk about the Hammer, you're talking about a
show

That's hyped and tight

Singers are sweating so pass them a wipe

Or a tape to learn

What it is going to take in the '90s

To burn the charts

Legit either work hard or you might as well quit

That's the word, because you know

U can't touch this

U can't touch this

Break it down

Stop. . . Hammer time

Go with the flow

It is said

That if you can't groove to this

Then you probably are dead

So wave your hands in the air

Bust a few moves, run your fingers through your hair

This is it for a winter

Dance to this an' you're gonna get thinner

Move slide your rump

Just for a minute, let's all do the bump

Bump bump bump

Yeah, U can't touch this

Look man, U can't touch this

You better get hyped

Boy 'cause you know ya can't

U can't touch this

Ring the bell, school's back in

Break it down

Stop. Hammer time

U can't touch this

U can't touch this

U can't touch this

U can't touch this

Break it down

Stop. Hammer time

Every time you see me

The Hammer's just so hyped

I'm dope on the floor

And I'm magic on the mike

Now why would I ever

Stop doing this?

When others making records

That just don't hit

I've toured around the world

From London to the Bay

It's Hammer, go Hammer, M.C.Hammer, Yo Hammer

And the rest can go and play

Can't touch this

U can't touch this

U can't touch this

U can't touch this

Yeah,U can't touch this

I told you, U can't touch this

Too hype, can't touch this

Yo, we outta here, can't touch this
