Let's do it

Workin' all week 9 to 5 for my money
So when the weekend comes I go get live with the
honey
Rollin' down the street I saw this girl and she was
pumpin'
I winked my eye she got into the ride went to a club was
jumpin'
Introduce myself as Loc she said "You're a liar"
I said "I got it goin' on baby doll and I'm on fire"
Took her to the hotel she said "You're the king"
I said "Be my queen if you know what I mean and let us
do the wild thing

Wild thing (x2)

Shoppin' at the mall looking for some gear to buy
I saw this girl she cool rocked my world and I had to
adjust my fly
She looked at me and smiled and said "You have plans
for the night"
I said "Hopefully if things go well I'll be with you
tonight"
So we journeyed to her house one thing led to an other
I keyed the door we cold hit the floor looked up and it
was her mother
I didn't know what to say I was hanging by a string
She said "Hey you two I was once like you and I liked to
do the wild thing"

Wild thing
She loved to do the wild thing
Wild thing
Please baby baby please

Posse in effect hangin' out is always hype
And when me and the crew leave the shindig I want a
girl who's just my type
Saw this luscious little frame I ain't lyin' fellas she was
fine

The sweet young miss go gave me a kiss and I knew
that she was mine
Took her to the limousine still parked outside
I tipped the chauffeur when it was over and I gave her
my own ride
Couldn't get her off my jack she was like static cling
But that's what happens when body start slappin' from
doin' the wild thing

Wild thing
She wanna do the wild thing
Please baby baby please

Wild thing-ac
