.Its hard to break out and be myself because
everybodys expecting something else.still a kid trying
to find my place .so hard feels like im in space.

CHORUS=so if you open up and realise that ive got my
future in my sight and if you only trust meeee ill
become something a really wanna be.

so if you really just beleive in meeee ill become
someone i reality.ill soon be shooting star in range and
soon everyone will know my face and ill be on every
magazine

CHORUS

for the times that you would doubt i hope you know
what this is about.
so if you open up and realise (realise) that ill become
something thats really nice (really nice) that my whole
life will be gleaming in the sky.
so i hope you really know were i wanna go that
becoming famous is my plan and that this is no scam
(no scam)

CHORUS

ive got my future in my sight and if you could only
realise and trust me only for one moment you will can
make happen

CHORUS

CHORUS

so if you really just beleive in me illl become someone
in reality oh-oh oh oh oh oh oh o
