I, I was blind
I couldn't see what was in front of me
I gave you my heart, so in love
I didn't know you weren't for me

But you had it all
I gave you everything that is within me
Love was a game
And like a checkerboard, baby you played me

Though I wanna cry sometimes
I keep it inside, this is all in my head
And though the feeling's hard to fight
I keep it inside, this is all in my head
It's all in my head

You, you and me
I wanted us forever
Nothing felt better than this love
But I didn't know you weren't for me

But you had it all
I gave you everything that is within me
Love was a game
And like a checkerboard, baby you played me

Though I wanna cry sometimes
I keep it inside, this is all in my head
And though the feeling's hard to fight
I keep it inside, this is all in my head
It's all in my head

You had it all
I gave you everything that was within me
Love was a game, yeah
And like a checkerboard, baby you played me

Though I wanna cry sometimes
I keep it inside, this is all in my head
And though the feeling's hard to fight
I keep it inside, this is all in my head

It's all in my head

All in my head

All in my head

All in my head
