Educated with money

He's well dressed not funny

And not to say in most conversations

But he'll foot the bill in all situations

'Cause he pays for everything

Girls don't like boys, girls like cars and money

Boys will laugh at girls when they're not funny

Paper or plastic,

Don't matter she'll have it

Vacations and shopping sprees these are a few of her  
favorite things

She'll get what she wants if she's willing to please

His type of girl always comes with a fee

Hey now there's nothing for free

Girls don't like boys, girls like cars and money

Boys will laugh at girls when they're not funny

And these girls like these boys, like these boys like  
these girls

The girls with the bodies like boys with Ferraris

Girls don't like boys, girls like cars and money

Let's go!

Girls don't like boys, girls like cars and money

Boys will laugh at girls when they're not funny

And these girls like these boys, like these boys like  
these girls

The girls with the bodies like boys with Ferraris

Girls don't like boys, girls like cars and money

All of these boys, and get all of these girls

Are losing their souls in a material world

All of these boys, and get all of these girls

Are losing their souls in a material world

All of these boys, and get all of these girls

Are losing their souls in a material world

All of these boys, and get all of these girls

Are losing their souls in a material world
